Minnesota Heating and Cooling Association

Mission Statement

The Minnesota Heating and Cooling Association (MHCA)'s mission is to support the elevation of our industry standards to ensure the utmost quality and value for our consumer, our environment and our employees. We will accomplish this by supporting training and education efforts of all member business regardless of annual sales or number of employees. Training and education efforts will focus on technical advancements, design, accounting, leadership, management and business practices. Through these efforts, we will advance each business individually and our industry as a whole.

Membership Referral Promotion!

The Board of Director has introduced an incentive for new and existing members!

Whenever a MHCA member signs up a new member, both parties receive a \$50 credit towards a future MHCA meeting or event.

This is valid for every member you sign up. Sign up 2 members receive \$100 in credits.

*****Build up credits and not only pay for your meeting and events, but help grow the association and gain exposure for your own company all at the same time.**

MHCA Code of Ethics

- ▶ Member Instill the highest respect for the heating, ventilating, air conditioning and refrigeration (HVACR) contracting profession within their communities.
- ▶ Maintain strict compliance with all laws, regulations and ordinances pertaining to the HVACR industry and business operations prescribed by federal, state, county and municipal governments.
- ▶ Design, install service and repair heating, ventilation, air conditioning and refrigeration systems in accordance with accepted industry standards.
- ▶ Develop and maintain an understanding of proper equipment selection to assure customers of safe, dependable and comfortable performance.
- ▶ Ensure that quality, honesty, integrity and good faith are hallmarks of contractors' business practices, including individual contractor sales, advertising, installations and service of HVACR systems.
- ▶ Maintain a clean, safe, respectable and well-identified place of business commensurate with the high standards of the profession.
- ▶ Increase the safety and efficiency of the HVACR contracting industry by participating in the education and training programs of MHCA.
- ▶ Develop the highest quality standards of customer service and nurture long-term relationships with customers.
- ▶ Encourage and support business development in which skilled and professional HVACR contractors are empowered to provide high-level services to consumers and end-users.
- ▶ Refrain from engaging in any activity defined as cross-subsidization.
