Bloomington, MN 55431

MHCA welcomes back Heat Exchanger Experts for a **hand-on class** on inspection techniques and procedures that **can help your technicians diagnose the condition of furnace heat exchangers**. There will be heat exchangers and furnaces of **more than 50 makes and models** to study. See the stress points, fracture zones, and design considerations which you **MUST** know in order to properly inspect a furnace.

Attendees are encouraged to **wear their normal work attire and bring their tools**.
Lunch is provided along with all course materials.

This class received a rating of **4.9 out of 5.0** by participants in 2015. Here's more feedback...

*"The **class paid for itself** in less than a week with additional leads and sales..."*

*"**Great information!** All usable!"*

Make sure your service technicians are not walking away from furnaces with failed heat exchangers.

\$749.00 for MHCA Members
