**Minnesota Heating and Cooling Association  
Code of Ethics**

**MHCA Members Will...**

- ▶ Instill the highest respect for the heating, ventilating, air conditioning and refrigeration (HVACR) contracting profession within their communities.
- ▶ Maintain strict compliance with all laws, regulations and ordinances pertaining to the HVACR industry and business operations prescribed by federal, state, county and municipal governments.
- ▶ Design, install service and repair heating, ventilation, air conditioning and refrigeration systems in accordance with accepted industry standards.
- ▶ Develop and maintain an understanding of proper equipment selection to assure customers of safe, dependable and comfortable performance.
- ▶ Ensure that quality, honesty, integrity and good faith are hallmarks of contractors' business practices, including individual contractor sales, advertising, installations and service of HVACR systems.
- ▶ Increase the safety and efficiency of the HVACR contracting industry by participating in the education and training programs of MHCA.
- ▶ Develop the highest quality standards of customer service and nurture long-term relationships with customers.
- ▶ Encourage and support business development in which skilled and professional HVACR contractors are empowered to provide high-level services to consumers and end-users.

**By joining the MHCA, you agree to be bound by the Association's Code of Ethics.**
